

Quality Policy

"Derlite will make products that meet specification, are reliable and are delivered on time in order to achieve customer satisfaction.

Derlite is committed to its quality management system and to achieving the objectives. Derlite will regularly review and improve the quality management system."

This policy will be achieved through adoption of a system of procedures that reflect the competence of Derlite to existing customers, potential customers and independent auditing authorities.

Achievement of this policy involves all staff, who are individually responsible for the quality of their work, resulting in a continually improving working environment for all. The policy is communicated to all staff and is displayed on the employee notice boards.

The objectives of the quality system are subject to regular review and will be amended from time to time in order to facilitate continuous improvement.

The objectives and related statistical information will also be posted on employee notice boards.
